

To whom it may concern

Grâne, October 12th 2018

From knowing Johannah I can tell you that she is quite an exceptional human being. Still so young, yet very wise, sensitive, entrepreneurial and trustworthy!

I can not tell you what a joy it is to work with her. She will always do her utmost (sometimes even doing too much for the job to get done at the detriment of her own needs), always reacts friendly, even when the work is long and can be sometimes repetitive; and she puts her heart into it. With Johannah there is commitment, enthusiasm and eye for details. Last but not least, the quality of her work is excellent. We were all very satisfied with her performance and even decided to pay her some extra to express our appreciation.

All in all I cannot recommend more highly a person than Johannah Lantheaume.

If you have any questions please don't hesitate to contact me.

Sincerely,

Ingeborg Bosch
